Would Friday the 13th work better? It would have to be afternoon, it may be that we just have to teleconference later in the month.

I'm waiting to hear back from Solid and Hazardous waste folks, I proposed 10 to Noon on Monday. We have a couple of standing meetings on Monday morning.

That would work if we can do in the morning?

Hey Tom,

I didn't have any plans to head over to Helena, but I will be in Great Falls until July 15th. I could possibly head down to Helena and stay until Monday Morning and meet then. If that date works, I will check with the wife.

Mike,

I thought it about time we hold another CERCLA/RCRA /TSCA coordination meeting on CFAC to hear updates and discuss any overlap areas. With that in mind, I was curious if you would be down this way anytime in July? If not, we can do something by phone but I thought I'd check.
